# Memorandum

**Date:** November 8, 2012

**To:** Honorable Chairman Joe A. Martinez  
and Members, Board of County Commissioners

**From:** Carlos A. Gimenez  
Mayor

A handwritten signature in black ink, appearing to read "Carlos A. Gimenez", written over the name in the "From:" field.

**Subject:** Resolution Approving the Contract for Sale and Purchase of Designated Property Known as Parcel 5 in the Amount of \$47,750 Required for the People's Transportation Plan (PTP) Project Entitled Roadway Expansion, Beautification and Improvements to SW 176 Street, from US Highway 1 to SW 107 Avenue; Authorizing Payment of Attorney's Fees and Costs Pursuant to Chapters 73.015, 73.091 and 73.092, Florida Statutes; and Authorizing the Use of Charter County Transportation Surtax Funds

## **RECOMMENDATION**

It is recommended that the Board of County Commissioners (BCC) approve the attached resolution which does the following:

- Approves the contract for sale and purchase, attached hereto as Exhibit "1" and made a part hereof, to acquire in fee simple property known as Parcel 5, under the terms and conditions and for the compensation provided in said contract, for necessary right-of-way for the PTP project entitled Roadway Improvements to SW 176 Street, from US Highway 1 to SW 107 Avenue, and
- Authorizes the payment of reasonable attorney's fees and costs pursuant to Chapters 73.015, 73.091 and 73.092, Florida Statutes.

The BCC previously approved Resolution No. R-738-10 on July 8, 2010, declaring the acquisition of the subject property to be a public necessity, and authorized the County Mayor or Mayor's Designee and the County Attorney to take all appropriate actions to purchase this property and to employ appraisers and expert witnesses in connection therewith.

Said Resolution is placed for committee review pursuant to Miami-Dade County Code Section 29-124(f). This item may only be considered by the BCC if the Citizens' Independent Transportation Trust (CITT) has forwarded a recommendation to the BCC prior to the date scheduled for BCC consideration, or forty-five (45) days have elapsed since the filing with the Clerk of the Board of this item. If the CITT has not forwarded a recommendation and forty-five (45) days have not elapsed since the filing of this item, I will request a withdrawal of this item.

## **SCOPE**

The impact of this project is countywide; however, it is located within Commission District 9.

## **FISCAL IMPACT/FUNDING SOURCE**

Funding for the right-of-way acquisition, design and construction of this project is from Charter County Transportation Surtax bond proceeds, and may be supplemented by other eligible funding sources. Funding is programmed within the adopted FY2011-12 Capital Budget with a current index code of CPEPTP609176. The initial acquisition has been budgeted and no additional fiscal impacts are expected; however, in the event of litigation the final acquisition cost would be subject to a future ruling by the Court and would require further CITT and BCC approval.

The attached Purchase and Sale Contract is in the amount of \$38,000, attorneys' fees are in the amount of \$5,000, and expert fees are in the amount of \$4,750, for a total of \$47,750. The total cost of the project (inclusive of construction, design and the right-of-way acquisition of all parcels) is estimated at \$5,377,704.00. The anticipated ongoing annual maintenance and operational costs will be approximately \$7,077.52 and \$4,080.79, respectively.

#### **TRACK RECORD/MONITOR**

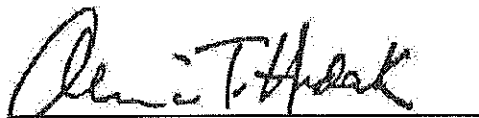

The Public Works and Waste Management Department (PWWM) is the entity overseeing this item and the person responsible is Francisco Fernandez, Chief Real Estate Officer, Land Development/Right-of-Way Section.

#### **BACKGROUND**

PWWM has programmed the construction of SW 176 Street as part of the PTP Project Entitled *Roadway Expansion, Beautification and Improvements to SW 176 Street, from US Highway 1 to SW 107 Avenue*. The proposed project consists of reconstructing the existing roadway to include a raised landscaped median, bicycle facilities, sidewalks, curb and gutters, a continuous storm drainage system, signalization, pavement markings and signage, and roadway lighting.

The area to be acquired by Miami-Dade County (County) is necessary for the proposed roadway improvements, and is legally described in "Exhibit A" and illustrated on the parcel location map in "Exhibit B", both attached herewith.

The subject property was appraised for the County by an independent appraiser on September 7, 2010 for a total value of \$32,000. An offer was extended to the owner, Jorge A. Pell, for the appraised amount. The owner declined and made a counter offer of \$46,335 based upon valuation by his property appraiser, David Randall, MAI. After a prolonged negotiation, and in an effort to avoid condemnation and expedite the acquisition, the parties agreed upon \$38,000 subject to CITT and BCC approval. This offer is equal to \$4.02 per square foot and is within the range of comparable sales of \$2.67 through \$4.22 per square foot, used by the County's independent appraiser.
